## Required documents

### AIRE REGISTRATION

#### REQUIRED DOCUMENTS

Create an account on [Fast-it](#) and upload:

- Signed registration form.** After you log in and confirm your information, is created automatically by the system.
- Valid ID** of the applicant and of any family member living with them (the Australian driver license is NOT considered an identity document)
- Proof of residence in Victoria or Tasmania** showing the same address that is on the AIRE registration form. We accept the following documents:
  - Utility bill (electricity, gas, phone...), OR
  - Valid Australian driver's license, which shows the same address of the registration form.

The documents listed above must all be submitted in the same request. Should a document be missing, the request will be deemed incomplete and will be rejected. Should the Consulate evaluate that the proof of citizenship is missing, the registration with A.I.R.E. will be suspended and additional documents might be requested.
